Yog Sharma
Frontend Developer

EXPERIENCE

Frontend Developer

IQM Corporation

July 2018 - Present - 9 Months, Ahamadabad (Remote)

Collaborated with a great team with a well organized frontend development tooling to introduce new features for in-house applications and ensure the delivery on time.

Frontend Developer - Intern

Uibix

Jan 2021 - June 2021 - 6 Months, Gurugram (Remote)

Build real-life projects ensuring the proper responsive behaviour with on time delivery. Connected with the UI Designer for better and fast development process. Made quick bugfixes in case of production failure.
